#### A Brief Message from the MWLTC Board of Directors:

The book of 2 Samuel is filled with great and amazing stories about real people in real situations. This is one of those books of the Bible that tells it like it is. If 2 Samuel were a movie, there are parts of it that would keep it from being “Rated G”. Unfortunately, that’s what happens when real stories about real people are told. Sometimes, real people will do selfish, evil, dark, despicable things. Sometimes, those same people end up being heroes of faith because they turn back to God – **our Rock, our Fortress, our Deliverer**. Some of them do not turn back.

We believe it is primarily the responsibility of parents to discuss these lessons (especially with younger students) on their terms, at a time of their choosing, and at a level that is age-appropriate. For this reason, a few specific questions have been omitted from the junior-level study guide (grades 3-6).

Having said that, these are great lessons for students of scripture of all ages about God’s goodness toward His people. Despite their character flaws and weaknesses, their sin and selfishness, God still shows His love to them and rejoices when they turn back to Him. That is the nature of our God . . . how can we not be humbled and amazed!? We think that’s a lesson that is definitely worth learning.

We hope you are blessed by this adventure with God through the pages of 2 Samuel. If you have any questions about this Bible Bowl study guide, please let us know.

We learn about David from many Old Testament books including Samuel, Kings, Chronicles, and Psalms, as well as from numerous New Testament references.

There is nothing lukewarm about this central figure in the lineage of Jesus. We see in David a man capable of evil, yet commended by God as a man after his own heart.

On behalf of the many contributors (see below) who produced this multiple choice guide, I invite you to learn from 2 Samuel about the consequences of sin and the blessing of honoring our loving and forgiving God.
